Hiring Manager / Recruitment Team Orsted Education Consultant

Subject: Application for English Tutor Position - Melati Biuty Tisna

Dear Hiring Team

I am writing to express my enthusiastic interest in the English Tutor position at Orsted Education Consultant. I learned about this wonderful opportunity through Farrabi, a close contact of mine who is currently working as a tutor under your agency. Knowing their positive experience with your team, I am eager to bring my passion for language teaching to your students.

I am currently an undergraduate student majoring in English Literature at University 17 Agustus 1945 Surabaya. My academic background has provided me with a deep understanding of English grammar, phonetics, and literary analysis, which directly supports my teaching capability.

In addition to my academic studies, I have hands-on experience in mentoring and teaching children. I have worked as a private tutor, teaching both Mathematics and English, where I developed personalized approaches to help students understand complex concepts and build their confidence. Currently, I am also actively participating in a community service program (*program pengabdian*) focused on English teaching. This role has sharpened my classroom management skills and taught me how to design engaging, interactive activities for diverse groups of learners.

I am drawn to Orsted Education Consultant because of your commitment to providing high-quality, accessible education. I am confident that my academic background, combined with my practical teaching experience and dedication to student growth, makes me a

strong fit for your team.

Thank you for your time and consideration. I have attached my resume for your review and look forward to the opportunity to discuss how my background aligns with your tutoring needs in an interview.

Sincerely

Melati Biuty
