Dear Hiring Manager,

I am writing to express my interest in the **Tentor Pembimbing TKA SD** position at your institution. I am enthusiastic about this opportunity because I have a strong passion for teaching and enjoy helping young learners build their academic skills and confidence.

I am currently pursuing a Bachelor's degree in Mathematics at Institut Teknologi Sepuluh Nopember (ITS). During my studies, I have gained valuable teaching experience as a Teaching Assistant for Calculus and a Laboratory Assistant, where I developed strong communication, mentoring, and problem-solving skills. These experiences have taught me how to explain concepts clearly, adapt my teaching methods to different learning abilities, and create a supportive learning environment.

I believe that every student learns differently, and I am committed to making learning enjoyable, interactive, and meaningful. As a **Tentor Pembimbing TKA SD**, I am eager to help students prepare for the Academic Competency Test (TKA) by providing clear explanations, encouraging critical thinking, and motivating them to perform at their best. I am confident that my educational background, teaching experience, patience, and enthusiasm make me a strong candidate for this position.

Thank you for considering my application. I would appreciate the opportunity to discuss my qualifications further in an interview. I look forward to contributing to your institution and supporting students in achieving academic success.

Sincerely,

Andini Widya Hapsari
